

Santa Barbara Relay For Life 2009  
May 2 – 3, 2009  
How to *join* a team online

1. Go to the Santa Barbara Relay For Life 2009 website:  
[www.relayforlife.org/santabarbaraca](http://www.relayforlife.org/santabarbaraca)
2. Click on the “Sign Up” link
3. If you are a returning Relay For Life participant from last year, click the “Log In” link before you begin to register for this year’s event. This will make registration easier as it will remember your address, etc from last year. You will also have access to your address book, team members, and donors from last year. If you don’t remember your username and/or password go to <http://events.cancer.org/site/UserLogin> to have the information emailed to you. Once you have logged in click the “Join A Team” link.
4. If you did not register online for Relay For Life last year, but your team is already registered for this year’s event, click the “Join A Team” link.
5. To find a team, enter the team name or the first few letters of the team name. If you want to see all the teams leave both fields blank. Click the “Search For A Team” button. You might have to scroll down to see it. Scroll down to see the list of teams that met your search criteria. Click on the team name or the “Join” button. The team page will appear.
6. Click the “Join Our Team” link on the team page.
7. Click the button next to “Team Member Registration (Free)”. Scroll down and enter a donation now if you want. Enter your personal fundraising goal. When you are finished click “Next Step”.
8. If you logged in many of the fields will be filled in with information you entered last year. Make sure it is correct. All required fields ( those marked with an \* ) must be filled in. Write down the username and password you will be using to log in. When you are finished click “Next Step”.
9. Read the Waiver and click the box beside “I agree with the terms and conditions above” then click “Next Step”.
10. Review the registration information you just entered and click “Complete Registration”. If your information is not correct, click the “Edit” button to change it.
11. Congratulations!! You’ve just become a member of a Relay For Life team!
